For **Preliminary Oral**, the Primary 6 students have been informed of the groupings they belong to. They will report straight to the school hall and sit accordingly to their groupings.

Students are required to bring:

- Storybook and/or reading materials
- Water bottle
- Working thermometer
- Extra disposable surgical masks
- Headphones – The student can bring his or her own headphones if they want to for their e-oral (only 3.55mm jet). This is **optional** as the school will provide headphones which will be sanitised after each use.
- Students in Session 1 will report to the respective holding room(s) after their Oral Examinations.

Students in Session 2 will be released after they have completed their Oral Examinations.

Please note that all students have to wear their **surgical masks** when they report for their Preliminary Oral Examinations. They will be allowed to remove their face mask only at the oral examination room.

Please ensure that your child report punctually and any absence from the Preliminary Oral examinations must be accompanied with an official medical certificate from the doctor. Should your child not feel well or have a fever or flu-like symptoms, he or she is advised to stay at home and see a doctor.

Students are strongly encouraged not to bring any mobile devices. All mobile devices must be surrendered and kept by the teacher during the examination period. The school will not be responsible for any loss or damage to these items.

Students are also not allowed to bring any unauthorised electronic, communication, entertainment, or gaming devices capable of capturing, storing, displaying and/or transmitting visual, audio or verbal information into the examination venue.

We seek your kind understanding on this matter.

Should you need any clarifications, please contact Mrs Tan-Tan Mei Ching (Oral) at 6793 3419.

Thank you.

Yours sincerely,

Chris Loh (Mr)
Principal
