Dear Parents / Guardians,

### **Learning Journey to Singapore Sustainable Gallery (P3)**

Our Primary 3 students will be visiting the Singapore Sustainable Gallery as part of the experiential learning for their Interdisciplinary Project Work (IPW). IPW provides a learning experience in which students have the opportunity to synthesise knowledge from various areas of learning, and apply it critically and creatively to real-life situations. Working in groups, students enhance their knowledge and gain important skills to prepare them for future learning and challenges.

The IPW theme is 'Environment Heroes'. The focus of the learning experience is for our students to learn about sustainability, and how they can play their part towards environmental sustainability. Students will make use of the learning experience and knowledge learnt to design and craft a game product made from recyclable items. The IPW will commence in Term 3 during Social Studies lessons. At the end of the project, students will showcase their products to the other students.

Details of the learning journey are as follows:
