Dear Parents/Guardians of P6 students,

3-Day Study Break (25 September to 27 September) before PSLE

MOE and SEAB have jointly sent an advisory to all schools on the "Special Arrangements to ensure safety of candidates during the National Year-End Written Examinations". As part of the arrangements, schools have been encouraged to implement a "study break" for this year's graduating cohort ahead of the exams. This is to minimise the risk of a big number of students having to be quarantined or put on leave of absence as a result of possible COVID-19 cases that might arise in schools. In line with the advisory, Jurong West Primary School will be implementing a 3-day study break for all Primary 6 students from Monday to Wednesday, 25 to 27 September 2023.

P6 students do not need to report to school during the 3-day study break. During the study break, our P6 students are strongly encouraged to remain at home to reduce the risk of contracting the virus from the community. The special study leave timetable is attached for the students to revise on the various subjects, to complete offline or online revisions or in some cases, attend live revision lessons with subject teachers. Live lessons details will be informed by the subject teachers.

On the days of the PSLE Written (28 September to 4 October), please note that your child is required to report to school latest by 7:25am.

Thank you.

Yours sincerely,

Mr Chris Loh
Principal
