Dear Parent / Guardian

Enrol Your Child for Annual School-based Health & Dental Services

1. The Health Promotion Board (HPB)'s Youth Preventive Health and Dental Services will be conducting the annual health screening, immunisation and dental services for your child. These services ensure the protection of your child's health and early detection of health issues. We appreciate your partnership with HPB to give our children a healthier start in life. You may find the outcomes of your child's school health and dental visit via SingPass login at Health Hub.
2. Your consent is needed to ensure your child receives these important health and dental services.

<p>You may access the Child Consent Portal via the QR code or link below.</p>  <p>https://go.gov.sg/hpb-ccp</p>	<p>What you need to do on the Child Consent Portal:</p> <div><p>1. 3. A child in Primary 1 who is found to have incomplete dose(s) of either measles, diphtheria or poliomyelitis vaccinations will be vaccinated with any one or more of the following vaccinations by the Health Promotion Board's Youth Preventive Health Services (YPHS):
 - Tdap for diphtheria, tetanus, and pertussis;
 - MMR for measles, mumps and rubella; and
 - IPV for poliomyelitis.

You are deemed to have consented to have your child vaccinated by the YPHS based on the National Childhood Immunisation Schedule (NCIS) if you take no further action.

If you **do not wish** your child to be vaccinated by the YPHS and wish to make your own arrangements to have your child vaccinated, please log-in at <https://go.gov.sg/hpb-ccp> to indicate so.

4. The Health Promotion Board's (HPB) Youth Preventive Health Services (YPHS) only screens for specific conditions (Please refer to [Frequently Asked Questions](#) for the types of screening offered). For other medical conditions, please consult a doctor. If you **do not wish** for your child to undergo HPB's annual health screening in school, please write to Contact_YPS@hpb.gov.sg.

Thank you

2. What are the types of screening that will be offered to my Primary 1 child?

- Vision screening
- Growth & development assessment
- Hearing screening
- Immunisation if required

3. Will my child's medical information be kept confidential and secure?

All information provided will be kept strictly confidential and will only be used by HPB in the management of your child's health. The information may be placed on a database known as the Electronic Medical Records (EMR) System and the National Electronic Health Records (NEHR). The information may also be collated and used for national public health policy planning, ethically approved research, official reports and publications. Full confidentiality is ensured, i.e. your child's identity will not be revealed. If you provide us with personally identifiable data, we may share necessary data with other Government agencies where appropriate, so as to improve the discharge of public functions, and to serve you in the most efficient and effective way unless such sharing is prohibited by law. HPB may share your personal data with non-Government entities (including appointed service providers) that have been authorised to carry out specific Government services. HPB will not share your personal data with other non-Government entities without your consent except where such sharing complies with the law. HPB abides by the intent of the [HPB \(Data\) Privacy Statement](#).
