Dear Parents/Guardian of Primary 6 Students,

Primary 6 Post PSLE Activities

The school has organised several post-PSLE programmes and activities for all the P6 students during curriculum time to keep them meaningfully engaged and bond with their peers, to mark a memorable closure to their primary school life. As such, all students are expected to participate actively in the programmes as part of the holistic education provided by the school (Refer to Annex A).

The graduation music camp is one of the programmes that involves a series of dance programme. This programme aims to equip our students with basic dance steps.

The P6 students will then present what they have learnt from this programme during the graduation concert, on **15 November 2023 (Wednesday)**, which marks the last day of school for the P6 students.

All parents/guardians of graduating students are cordially invited to attend this memorable event and join in the celebration. The graduation concert will be held at the school hall from **11.15 am to 1 pm**. Parents (maximum 2 adults per child), are to be seated at the hall by 11am. Light snacks will be provided for all P6 students and registered parents/guardians only.

We seek your understanding to register your availability so that provisions can be made for seats and snacks.

Thank you.

Yours sincerely,

Sophia Ow Yong (Mrs)
Year Head (Upper Block)
