

Dear Parents,

Greetings from THK Family Services Division.

We have been appointed as a Parenting Support Provider by the Ministry of Social and Family Development (MSF) and are partnering with your child's school to provide the Triple P (Positive Parenting Programme) for parents.

Triple P is an evidence-based programme which:

- Supports parents
- Introduces practical techniques
- Strengthens parent-child relationships
- Increases parenting confidence

We would like to invite you to participate in the Triple P online seminars. We strongly encourage parents to attend **all three (3) seminars**. The seminar series will be conducted by trained Facilitators from the PSP team. Please see the attached poster for details. Kindly sign up via the registration link provided or scan the QR code to register.

Sign up at this link to register for the seminars:

Thank you.

Warm regards,

THK Parenting Support Team
