Dear Parents/ Guardians,

### **Life Skills Programme- Primary 4 Financial Literacy**

The programme aims to equip our students with life skills necessary for them to develop their social-emotional competencies such as self-awareness, self-management and responsible decision-making. Students will learn about four key fundamental money management concepts: Earn, Save, Spend and Donate through an engaging musical narrative approach. Relevant, contextualised real-life scenarios will be used to reinforce the learning.

As part of the Life Skills Programme- P4 Financial Literacy for our students, the school is fostering a partnership with Junior Achievement to create an exciting learning environment that gives students a real-world perspective. The objectives of the programme are as follows:

- 1) Make responsible decisions and act on them
- 2) Choose actions and decisions that are responsible towards oneself and others

The programme will take place as follows:

Level	Date	Timing	Venue
P4 Kindness	24 May 2022 Tuesday and 26 May 2022 Thursday	2 p.m. to 4 p.m.	K1 to K6 Classrooms

All Primary 4 students will be involved.

We thank you in advance for your support.

Yours sincerely,

Mrs Jerica Koh
