Dear Parents/Guardians,

P4 Purchase of Calculators (Latest model: Casio FX-97SG X)

As part of the Primary 4 post-exam activities, the school will be conducting lessons on the use of calculators. This is to prepare the students for the Primary 5 Mathematics syllabus next year.

Please take note that only MOE approved calculators are allowed to be used in the school and it is **compulsory** for every student to own a calculator. The list of MOE approved calculators is attached for your reference.

The Mathematics teachers will be bringing the students to the school bookshop to purchase the calculator at a price of **\$31** on **1 November 2023**.

Your child needs to bring the money on 1 November 2023.

Students who are under MOE FAS and school-based FAS will be given a complimentary set.

The Mathematics teachers will be using Casio FX-97SG X in the lessons. However, students are allowed to use any of the MOE approved calculators.

Yours sincerely,

Ms Esther Neo
Level Head (Mathematics)
